NOTES AND PRECIS.

D.No.2427 S.N.(1).

The existing scale of pay of the Assistant Engineer is Rs.300-10-400 plus motor car allowance of Rs.50/- per mensem (this was Rs.100/- before 1st December 1936). It is now proposed to reduce it to Rs.250-10-350 plus a motor car allowance of Rs.50/- in the case of future incumbents of the post.

The pay of the Executive Engineer is proposed to be reduced from Rs.535-35-850 (plus Rs.100/- motor car allowance) to Rs.500-25-625 (plus Rs.75/- motor car allowance). In view of this, the proposal to reduce the pay and car allowance of the Assistant Engineer by Rs.50/- and Rs.25/-, respectively, seems reasonable and may be accepted. (Under Section 19(1) of the Bangalore Municipal Law, the allowances of the Assistant Engineer are to be fixed by the Resident in consultation with the Commission)..

CIVIL AND MILITARY STATION, BANGALORE.
MUNICIPAL OFFICE.

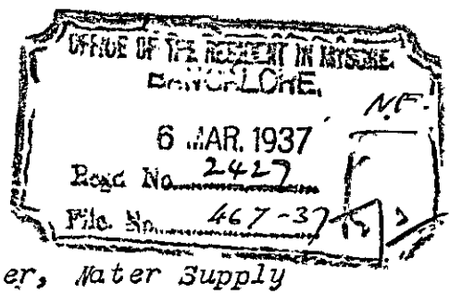
Dated... 4th March ....193 7.

From

L. J. MAC IVER, ESQ., I. C. S.,
President, Municipal Commission,
Civil and Military Station, BANGALORE.

To

The Secretary to the Hon'ble the Resident in Mysore,
Bangalore.



SIR,

Pay of the Assistant Engineer, Water Supply and Drainage.

I have the honour to state that, in view of the revision of the pay of the Municipal Executive Engineer, I placed a proposition to fix the pay of the future entrants to the post of Assistant Engineer, Water Supply and Drainage, at Rs.250-10-350 plus a motor car allowance of Rs.50/- per mensem before the Commission at their ordinary meeting held on the 25th February 1937. I considered it necessary that the pay of the Assistant Engineer should be reduced in proportion to the reduction in the scale of pay of the Executive Engineer. The Commission accepted the proposal. I enclose a copy of the proposition and a copy of the Municipal Commission's resolution No.4, dated the 25th February 1937 passed thereon and request that the Hon'ble the Resident may be pleased to approve of the revised scale of pay for the Assistant Engineer, Water Supply and Drainage, proposed in the Commission's resolution.

I have the honour to be,
Sir,
Your most obedient servant,

President, M. C.

MVL.
4-3-37.

Proposition dated the 12th February 1937, by the President, Municipal Commission, Civil and Military Station, Bangalore.

The Proposition.

That the pay of the future entrants to the post of Assistant Engineer, Water Supply and Drainage, be revised to Rs.250-10-350/- plus a car allowance of Rs.50/-.

(Sd). L. J. Mac Iver,
President, M. C.

Statement of objects and reasons.

Since the scale of pay of the Executive Engineer is proposed to be reduced, the pay of the Assistant Engineer should also be proportionately reduced.

The scale should, in my opinion, be high enough to attract experienced men, as the post is a very responsible one.

" Copy. "

MVL.

Municipal Commission's resolution dated the 25th February 1937. (Ordinary Meeting).

---

1. Proposition by the President to fix the pay of future entrants to the post of Assistant Engineer, Water Supply and Drainage, at Rs.250-10-350/- plus a motor car allowance of Rs.50/- per mensem.

Recommended.

The President moved the proposition and Mr. Murphy (Executive Engineer) seconded it.

Miss Webster moved the following amendment :-

"Read 'plus a motor car allowance of Rs.75/-' for 'plus a motor car allowance of Rs.50/-'. "

Mr. Narasimha Rao Nayudu moved his proposition (item No.5) as an amendment as below :-

"that the pay of the Assistant Engineer be fixed at Rs.200/- to Rs.300/- per mensem for all future entrants."

Mr. Krishna Ayyar seconded the amendment.

After a short discussion, the President put Mr. Narasimha Rao Nayudu's amendment to the meeting and it was lost. He then put Miss Webster's amendment to the meeting and it was also lost. He finally put his proposition to the meeting and it was carried.

Resolved that the pay of the future entrants to the post of Assistant Engineer, Water Supply and Drainage, be revised to Rs.250-10-350/- plus a motor car allowance of Rs.50/- per mensem.

(File No.5 of 1937).
